

Connections emergency behavioral health crisis walk-in center

① Just walk-in

At Connections, care is available to anyone who needs it. No appointments or insurance is required, so you get the support you need anytime, 24/7, 365 days a year.

② Get care from a dedicated team

A team of experts offers personalized mental health care, starting with a judge-free intake.

③ Be seen by a provider quickly

Within 90 minutes you will see a provider, and together, you'll create a personalized treatment plan tailored to your needs.

④ Leave with a plan

We provide ongoing support and resources to ensure long-term success.

Around the clock behavioral health support

Compassionate care is available to adults and youth (14+), 24 hours a day, 7 days a week, 365 days a year. Walk-in anytime and connect with a dedicated team ready to support you.

Seen quickly

Fast access to expert care so you receive the right care

Safe space

Compassionate support in a welcoming environment
